

Cameo Star

self contained

Electronic controller

Front breathing

Removable refrigeration cassette

LED lighting

10 Amp power

The Australian made Cameo Star self-contained fridges have been designed for the testing demands of busy venues to operate efficiently, to maintain temperature as products are taken out, stock replenished and doors continually opened and closed. The units are available in one to four door counters, manufactured in stainless steel or hardwearing black coated steel. Glass door units with LED lighting ensure an attractive display, while adjustable shelves enable different sized bottles and cans to be stored efficiently.

Advantages

- Designed for 43°C ambient environment
- Adjustable electronic controller with digital temperature display
- Forced air refrigeration system contained in a removable cassette for easy servicing and maintenance
- Front breathing ventilation
- Auto defrost utilising waste heat recovery vaporiser
- Two adjustable plastic coated shelves per door
- On/off switch for internal lights (glass door only)
- Coved internal floor
- On castors
- Fitted with triple glazed self closing glass doors and high efficiency long life LED strip lighting
- Face mounted hinges (plinth mount ready)
- Choice of doors

General counters + back bars
